

THE DRUM LOOP. THIS IS HOW WE ROLL.
RETURN TO FILLVILLE FOR REFILL.

THIS IS A PCR (POST CONSUMER RECYCLED) DRUM. MADE FROM 100% PACKAGING WASTE MATERIAL. IT IS 100% RECYCLABLE TOO BUT THAT'S NOT WHAT IS IMPORTANT.

THIS DRUM IS DESIGNED FOR YEARS AND YEARS OF REUSE & REFILLS TO REDUCE PACKAGING WASTE. IT SHOULD BE RETURNED TO FILLVILLE AFTER EACH USE AND MUST NOT BE THROWN AWAY.

HERE'S HOW IT WORKS:

1. KEEP HOLD OF THE RETURNABLE CARDBOARD OUTER PACKAGING. THIS SHOULD BE REUSED TO SEND THE DRUM(S) BACK TO US FOR REFILL. IF YOU DON'T KEEP HOLD OF THE ORIGINAL TRANSIT PACKAGING, NO BIGGIE. YOU CAN REUSE ANY BOX YOU MIGHT HAVE AT HOME.
2. FOLD OUTER PACK FLAT (INSTRUCTIONS PRINTED ON THE BOX). KEEP IT SAFE UNTIL YOU ARE READY TO RETURN THE DRUM(S).
3. PLACE EMPTY DRUM(S) BACK INSIDE TRANSIT PACKAGING WITH CAP/S STILL IN POSITION SO THAT THEY CAN BE REUSED.
4. CUT OUT THE RETURN LABEL BELOW AND PAPER TAPE TO THE OUTSIDE OF THE BOX.
5. MAKE SURE YOU COVER ANY PREVIOUS POSTAGE LABELS SO THAT IT MAKES ITS WAY BACK TO FILLVILLE HQ WITH NO PROBLEMS.
6. DROP AT YOUR CLOSEST PARCEL POST BOX OR POST OFFICE.
